

Tyre and Rim Insurance Guide

Don't let punctures get you down

Tyre and Rim will pay for the repair or replacement of your tyres or rims, up to the maximum amount or period stated in the policy wording.

What is Tyre and Rim Insurance?

Tyre and Rim Insurance makes provision for damage to your vehicle's tyres and rims as a result of punctures, blowouts or damage suffered from road hazards, such as roadside kerbs, potholes and road debris.

How do you benefit?*

- No unexpected repair costs
- Road hazard and pothole damage repair
- No excess on claims made
- Roadside Assistance

To apply for Tyre and Rim Insurance, your vehicle must

- Have comprehensive motor vehicle insurance cover;
- Have a Gross Vehicle Mass (GVM) of less than 3 000 kg;
- Be no older than 2 years and must have travelled less than 40 000 km;
- Be in a roadworthy condition and subject to an inspection by an approved service provider.

This policy is only sold through our national call centre and is not available to purchase in the dealership. *The above list is for illustration purposes only. Only key components shown above. Terms, Conditions and Limitations apply. List correct at time of publication. E&OE.
